50th

year milestone of Belle Corporation (Belle) was achieved in 2023

Golden Arrows Award and top-performing publicly listed company in the Philippines under the ASEAN Corporate Governance Scorecard bestowed to Belle in 2023

As our Company turned 50 years old, I am delighted to report that together we achieved strong results in 2023.

President's Report

To our Shareholders and Stakeholders:

It has been another positive year for Belle Corporation (Belle). As our Company turned 50 years old, I am delighted to report that together we achieved strong results in 2023. Belle's business units remained resilient despite the challenging operating environment compounded by high inflation and rising interest rates.

Belle's consolidated revenues improved by 3% to Php5,601.4 million in 2023 from the Php5,419.3 million recorded in 2022. Our recurring net income, meanwhile, reached Php2,255.10 million in 2023, 32% higher than the Php1,710.5 million posted in 2022.

Our strong performance was attributed largely to the recovering integrated resort industry through our investment in City of Dreams Manila (CODM) and our operating partnership with Melco Resorts and Entertainment (Philippines) Corporation (MRP). CODM saw improvements in both mass and VIP

segments in 2023, as efforts progressed to grow its client base amid increasing local and international tourist arrivals and competition from other integrated resorts in Entertainment City Manila.

We continued to maximize our resources and explore opportunities in our legacy real estate business in Tagaytay Highlands. Our skilled and dependable Estate Management Services team assisted in addressing the requirements of our homeowners in partnership with their respective community associations.

Across our businesses and in our day-to-day operations, the welfare of our stakeholders remains of paramount importance. We advocate creating shared value by providing meaningful employment, doing honest business, and implementing sustainable community programs. We also strive to be good stewards of our natural environment.

Financial Review

In 2023, Belle's consolidated net income increased by 42% to Php2,423.20 million from Php1,710.5 million recorded in 2022. Consolidated revenues in 2023 rose by 3% to Php5,601.4 million from Php5,419.3 in 2022 with most business units achieving good results. These were driven mainly by our gaming-related revenues (gaming revenue share and online betting equipment rental).

Our gaming revenue share in 2023 at CODM through Belle's majority owned subsidiary, Premium Leisure Corp. (PLC), came in 50% higher to Php2,339.3 million from Php1,560.8 million in 2022 as operations at the integrated resort normalized after the COVID-19 pandemic.

Meanwhile, Pacific Online Systems Corporation (Pacific Online), which is involved in the national gaming lottery sector by leasing online betting equipment and systems to the Philippine Charity Sweepstakes Office (PCSO) for its lottery operations nationwide, also posted higher revenues in 2023. Pacific Online, a majority owned subsidiary of PLC, achieved Php599.2 million in 2023 revenues, 15% higher than the Php519.1 million realized in 2022.

Revenues from Belle's real estate operations in 2023 on the other hand decreased by 20% to Php2,662.8 million, from Php3,339.4 million in 2022. The real estate revenues of Belle were comprised of Php1,988.8 million from the Company's lease of the land and buildings in CODM to MRP, which slightly dipped in 2023 by 3% over its revenues in the prior year of Php2,054.3 million. Revenues from real estate sales and estate management services of Belle at its Tagaytay Highlands flagship project also declined by 48% to Php674.0 million from the Php1,285.1 million posted in 2022.

Our Company maintains a strong balance sheet, resulting from years of financial prudence and responsible budget management. After 2023, our assets covered our current liabilities by over 2.11 times, while our long-term

Opportunities for Growth

Belle is building the foundations to expand our businesses, capture growth opportunities and strengthen commitments to stakeholders.

debt by almost 2.58 times. We also maintained our conservative total debt-to-equity ratio of 15%.

Sustainability Journey

Belle is building the foundations to expand our businesses, capture growth opportunities and strengthen commitments to stakeholders. We continue to evaluate opportunities using our 1.5-hectare land adjacent to our CODM resort complex, and plans to develop new sustainable communities in Tagaytay Highlands has begun. We are also proud to share Pacific Online's two "game-changing" milestones: the start of the test run of the first-ever official PCSO E-Lotto and launch of the nationwide lottery system by PinoyLotto Technologies Corp., its joint venture with Philippine Gaming Management Corporation and International Lottery & Totalizator Systems, Inc.

Our corporate social responsibility unit, Belle Kaagapay, identifies and supports social welfare, educational and livelihood programs. We engage with our stakeholders and host community members to enhance the quality of their lives by raising awareness on sustainability matters, and enjoin them take part in their implementation. Finally, we uphold and support adherence to good corporate governance practices as we conduct our business.

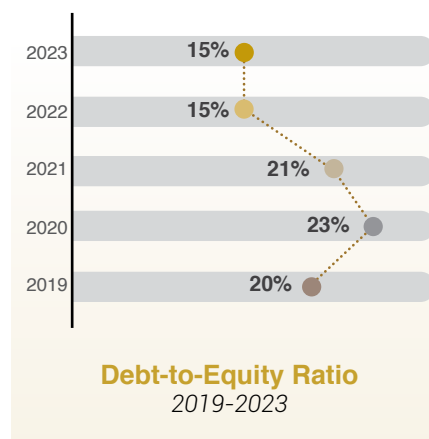

Early this year, your Company won its first Silver Anvil Award for Belle's 2022 *Integrated Report: Enhancing Communities* from the Public Relations Society of the Philippines. This recognition affirms our commitment to transparent, balanced and accurate reporting. We also scored high in the 2023 ASEAN Corporate Governance Scorecard and maintained our four golden arrows and ASEAN Asset Class awards, along with other listed companies in the Belle Group.

As we continue to serve and make the finer things within reach for our customers, we are confident of our Company's ability to thrive and flourish despite the challenges, and create value that our stakeholders and shareholders expect in the years and decades to come. Fifty years of Belle Corporation was achieved due to the Board's leadership and vision, Management's proactive approach and dedication, hard work and diligence of our staff, and our loyal and supportive shareholders.

We thank you all for your continued trust and confidence.

Along with the evolving leisure experiences the integrated resort offers, sustainability continues to thrive at City of Dreams Manila, adding a meaningful facet to luxurious hospitality service.

A Dining Haven

The talk of the town in 2023, the famous Wolfgang's Steakhouse Grill, opened its fourth branch in the Philippines and the 32nd worldwide at City of Dreams Manila. The steakhouse offers their world-renowned steaks with additional new grilled dishes that are first offered at the integrated resort. Choose from the signature dry-aged USDA Prime Black Angus beef shipped directly from the United States and other popular items on their core menu, or from the grill exclusives included on the all-day dining options.

In the same year, The Café, Hyatt Regency Manila's interactive show-kitchen restaurant, fired up its kitchen anew, bringing back its well-loved breakfast buffet, followed a few months later, by lunch and dinner buffets. A no-fail spot for quality buffet dining, The Café provides a great way to indulge in various cuisines in one dining experience, with dishes prepared à la minute by experienced chefs in a live culinary theater.

City of Dreams Manila welcomed K-Shabu Shabu, a Korean-style hot pot offering premium seafood, meat,

Exciting Entertainment and Premium Hospitality

Unique to City of Dreams Manila is DreamPlay, the world’s first DreamWorks-inspired family

entertainment center situated at the far end of The Shops at the Boulevard, which offers an exciting blend of integrated live and digital play spaces. The seasonal activities it holds during Easter, Mother’s Day, Father’s Day, and Halloween are sought after, including meet-and-greet beloved DreamWorks characters Shrek, Princess Fiona, Alex the Lion, Master Ping Xiao Po, King Julien, Puss in Boots, Poppy, and Branch. New characters were introduced last year, namely Skipper and Kowalski, and Gingy from DreamWorks Animations Madagascar and Shrek, respectively. A fresh selection of DreamWorks merchandise at the DreamShop elicited great interest among kids seeking souvenirs of their experience. Notably, DreamPlay has also been a favorite venue for various team building events.

CenterPlay, City of Dreams Manila’s contemporary entertainment bar built with a snack and cocktail lounge around the stage at the focal point of the main gaming floor, launched a Concert Series in 2023, placing the spotlight on OPM (Original Pilipino Music). OPM icons such as Rey Valera, Ice Seguerra and “Soul Siren” Nina took centerstage and

successfully held sold-out concerts. CenterPlay’s Concert Series is set to continue featuring Filipino music superstars in 2024.

At the gaming floors, excitement levels up with innovative attractions and thrilling spaces that elevate and enhance guest experience, as exceptional facilities exclusive to elite members invite customer loyalty.

City of Dreams Manila also unveiled the Events Lounge, a stylish venue dedicated to accommodating inquiries by event planners. Conveniently situated at a private corner near the main entrance of the resort, it’s where guests can be assisted in creating dream events at the Grand Ballroom and other event spaces, whether they be for wedding receptions and other socials, corporate and MICE events.

The lounge is styled by House of Hermosa of Gideon Hermosa and showcases a display of fashion designer Francis Libiran’s bridal gowns and bespoke suits.

Forbes Travel Guide, the only global rating system for luxury hotels, ocean cruises, restaurants, and spas, recognized City of Dreams Manila's commitment to responsible tourism with innovative sustainability initiatives in both heart-of-house and guest-facing practices, such as housekeeping policies, recycling programs, eliminating single-use plastics, and contributions to community-based conservation efforts.

The resort's three *Forbes Travel Guide*-rated hotels Nüwa Manila, Nobu Hotel and Hyatt Regency Manila were also presented with the ASEAN Green Hotel Award at the PH-ASEAN Tourism Standards Awarding spearheaded by the Department of Tourism (DOT)'s Office of Tourism Standards and Regulation-Standards Development Division. Working Harmoniously with Our City of Dreams Manila Stakeholders

City of Dreams Manila remains a top destination in Entertainment City Manila due to our efforts to collaborate with all stakeholders and fulfill our obligations and commitments.

In 2023, we conducted post-earthquake inspections to guarantee the structural stability of our property with the goal of keeping the safety of and continued service to City of Dreams Manila guests and tenants. Belle Corporation (Belle) also invested in the installation of new waterproofing for the parking building roof deck. In addition, the integrated resort underwent routine audit inspections on LPG installation and environmental compliance by the Aseana Business Park Estate Association.

In compliance with R.A. 11285 or Energy Efficiency and Conservation Act, City of Dreams Manila has engaged Meralco Energy Inc (MSERV) as a third-

party auditor to conduct energy audits and determine ways to optimize the energy performance of the property.

Through the Entertainment City Estate Management Inc (ECEMI), City of Dreams Manila has taken part in the Hop-On Hop-Off project of the Philippine Department of Tourism, which aims to promote tourism by offering a convenient transportation option for tourists to visit the Entertainment Hub in the Pasay-Paranaque circuit.

On the sustainability front, Belle has joined the Aseana Business Park Estate Association's Project Clean: Trash-to-Cashback Program, which promotes solid waste management and recycling through incentives. Furthermore, we have been working closely with Melco Resorts Leisure (PHP) Corporation in the implementation of its new 330.48kWp Grid Tied Solar Power project to be installed on the hotel towers.

We have also made preparations for the 1.5-hectare land adjacent to City of Dreams Manila as a suitable and potential venue for outdoor events.

As the LRT-1 Cavite Extension project nears its completion by the end of 2024, Belle will be able to commence aesthetic works in front of the Nobu Hotel such as landscaping.

Belle Kaagapay Grooms Students, School at Brigada Eskwela

During last year's Brigada Eskwela held on August 24, Belle Kaagapay, the corporate social responsibility arm of Belle Corporation (Belle), took the annual event up a notch by offering free haircuts to incoming students of Suplang Elementary School in

Tanauan City, Batangas. A barber and a hairdresser from the same barangay were engaged to support livelihood opportunities.

The Belle volunteers began the day-long lively activities by hosting parlor games for the students. They then re-painted the school facilities and engaged with the stakeholders of the school.

Belle's support of the 2023 Brigada Eskwela, which aimed to engage all education stakeholders to volunteer and allot resources for the preparation of public schools for class opening and was one of the initiatives the Company supported, is a re-affirmation of the Company's advocacy towards education and community empowerment and was part of its 50th anniversary celebration.

FINANCIAL CAPITAL

Belle's Financial Stewardship

We are now reaping the benefits of having a healthy balance sheet, risk management techniques and embedding a culture of partnership, resilience and growth.

Belle Corporation (Belle) has been managing its finances as prudently as it can. Through the years, we maintained our conservative liquidity and leverage, while keeping a watchful eye on our operational costs. Our efforts resulted in a healthy balance sheet that gives us flexibility when opportunities arise and cushion against unforeseen events such as the COVID-19 pandemic.

We employ financial strategies that allow us to plan, operate our businesses and realize returns on a longer time horizon. As a Group, we endeavor to meet our operational and capital expenditures and financial obligations.

In 2023, we continued to strengthen our balance sheet as find expansion opportunities. Through our different business units, we continue to seek investments and partnerships in integrated resorts, real estate development and tap other high growth markets.

Our positive results last year were due to our gaming businesses that contributed higher revenues and cost controls in place. In our real estate business, we are strategizing to boost revenues and increase our recurring net income.

We were once again successful in paring down our debts in 2023 to save on interest payments. We ended the year with our debt-to-equity ratio remaining conservative at 15%. Belle will continue to grow its businesses and expand in accordance with our plans and as opportunities arise. Although the current business environment poses many challenges, we are determined to pursue our businesses and work towards attaining our goals and vision as a Group.

Our Reporting Process

We continue to enhance our reporting methods. From publishing our first Sustainability Report in 2019 to shifting to an Integrated Report, we consistently built our know-how, focused on what matters, collated pertinent data, and reviewed and validated our consolidated outputs as a team. Furthermore, we attended training sessions on integrated reporting and sustainability principles and practices to come up with an accurate and objective report.

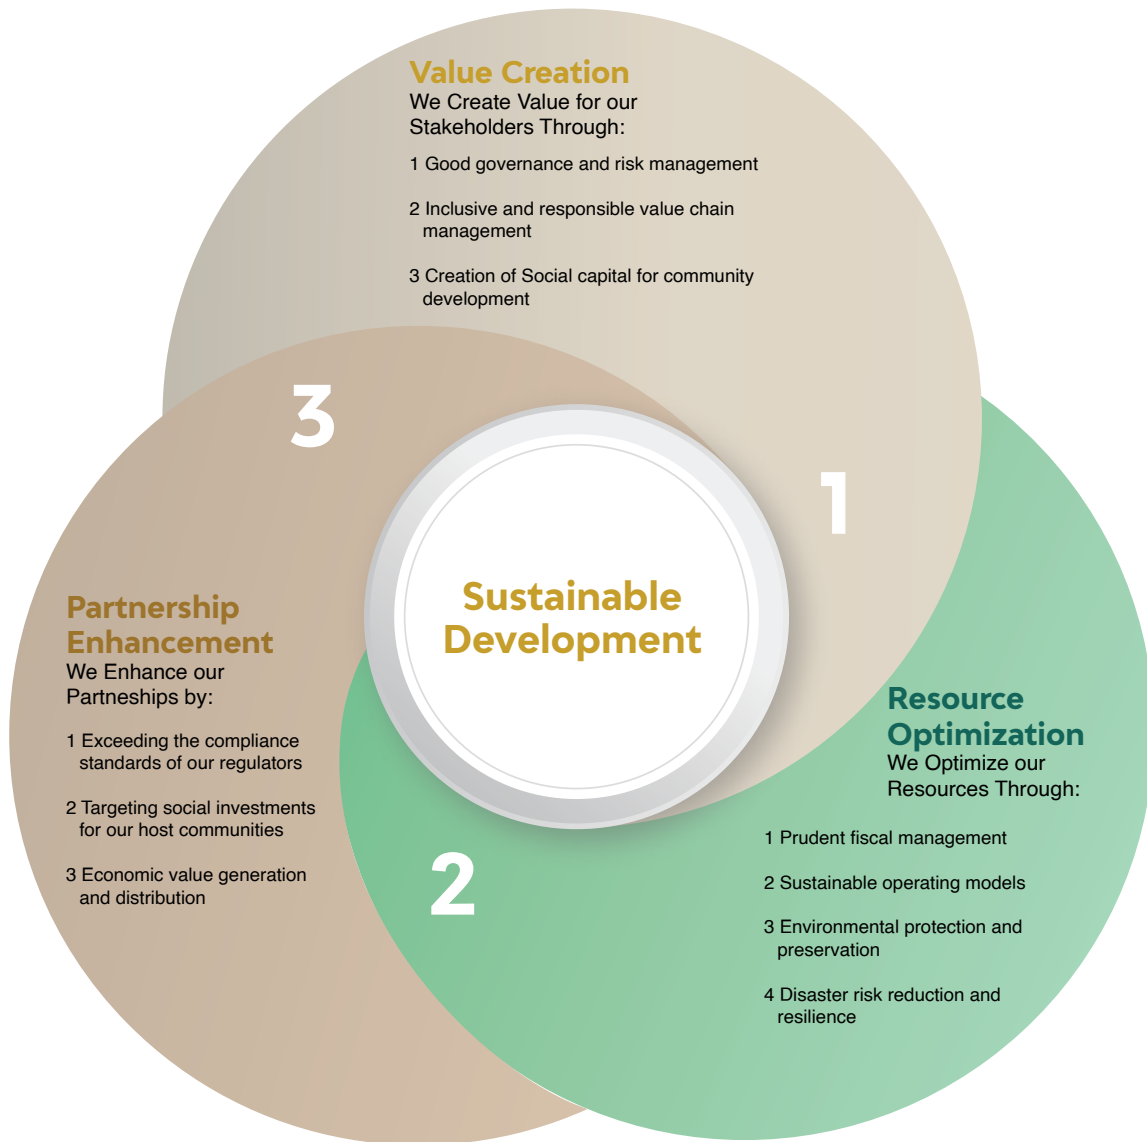

Our stakeholders' concerns and their inputs are important to us. Hence, we have touch points through traditional and digital means where we can listen to them and find common ground. We believe in addressing issues swiftly and resolving matters amicably for the benefit of all.

Sustainability Framework

We operate and achieve our goals by meticulous planning and making strategic decisions and actions for the benefit of all stakeholders and shareholders. Leading our way towards our sustainable development is Jackson T. Ongsip, Belle Corporation (Belle) President and Chief Executive Officer, who champions our environmental, social and governance priorities.

Through our sustainability framework, we operate all business units responsibly in pursuit of our vision. Departments and teams at Belle continue to refer to this framework for planning purposes and determining the best strategies and courses of action to take.
