Joint Message of Our Chairman and President

“With all of you as our partners, we will find opportunities to thrive together, strengthen our businesses further and produce meaningful outcomes and lasting positive impacts as we move forward to achieve a sustainable future.”

To our Shareholders and Stakeholders:

Belle Corporation (Belle or the Company) made significant progress in 2024 towards realizing our business pursuits and our dream of a sustainable future for all. We are pleased to report that our business units stepped forward and delivered well amid the demanding operating environment and challenging macroeconomic backdrop. Throughout the past year, we stayed true to our corporate values and purpose of delivering sustainable developments, products and services.

The trust and confidence bestowed upon us by our many stakeholders drives us to achieve more. Inspired by this mission, we enhanced partnerships, built collaborative pathways and explored growth opportunities.

In 2024, the Belle Group remained profitable due to the resilience of our businesses, strategic focus and healthy balance sheet. Relying on our tried and tested business models, we worked with our management teams, employees and business partners to provide the finer things in life to our loyal patrons and customers.

Expanding Our Businesses

As widely reported across news outlets last year, gaming-focused investment companies of Belle subsidiary Premium Leisure Corp. (PLC) have applied for a gaming license from government regulators. We envision this new business to be a new source of growth and stability in the years to come.

Performance Review

Belle posted net income of Php2,426 million in 2024, which is about the same level as the Php2,423 million net income for 2023. Higher operating performance compensated for the increased financing charges. Meanwhile, Belle recognized consolidated revenues of Php5,891 million in 2024, higher by 5% from the consolidated revenues of Php5,601 million in 2023.

Revenues from real estate operations increased by Php410 million (15%), to Php3,073 million in 2024, from Php2,663 million in 2023. Belle's revenues from leasing the City of Dreams Manila to Melco Resorts and Entertainment (Philippines) Corporation (Melco) contributed Php2,419 million in 2024, which was Php430 million (22%) higher than the

revenues in 2023 of Php1,989 million. Sale of real estate and revenue from property management at the Tagaytay Highlands complex contributed revenues of Php449 in 2024, which was Php89 million (17%) lower than its revenues in 2023 of Php538 million.

The share in gaming revenue at City of Dreams Manila of PLC amounting to Php2,291 million in 2024 decreased by Php48 million (2%), from Php2,339 million in the same period in 2023.

Meanwhile, Pacific Online System Corporation (Pacific Online), which, through its 50%-owned joint venture operation, PinoyLotto Technologies Corporation, leases online betting equipment to the Philippine Charity Sweepstakes Office for their lottery operations, posted revenues of Php528 million in 2024, a decrease

An artist's perspective of a proposed integrated resort in Clark, Pampanga by Belle's gaming-focused investment companies

of Php71 million (12%), from Php599 million in 2023. PLC owns 50.1% of Pacific Online.

Belle's balance sheet remains robust and dependable. At the close of 2024, our assets covered our current liabilities by over 2.71 times, while our long-term debt by almost 1.59 times. Our total debt-to-equity ratio remained conservative at 19%.

Belle's Sustainability

Belle continued to seize opportunities, restructure our businesses and build the foundations for our Company's sustainable growth.

On May 7, 2024, we announced the successful completion of a tender offer for the voluntary delisting of PLC from the Philippine Stock Exchange (PSE). As a result, PLC's voluntary delisting from the PSE took effect on July 9, 2024. At the end of 2024, Belle owns over 99% of PLC.

Near City of Dreams Manila, we have a 1.5-hectare land that is available for expansion and new business opportunities. Furthermore, plans are underway to develop new sustainable communities in Tagaytay Highlands.

We also continued to build and invest in one of our Company's pillars, our people, and kept the energy and momentum of employee engagement at Belle. We conducted our regular employee townhall and annual teambuilding events, and celebrated occasions and our wins, both big and small. We also championed employee well-being, healthy lifestyles and work-life balance. We also prioritized employee training and development, and continued to raise awareness on occupational health and safety.

When it comes to corporate social responsibility, our employees have been very active in 2024. In fact, many volunteers from Belle and PLC shared their time and skills with community members in Pampanga and in various environmental conservation efforts.

We will continue to give back, work with our communities and enhance lives whenever we can.

We at Belle remain prudently positive of our outlook in 2025. Nevertheless, we predict growth driven mainly by our core businesses and will use sound enterprise risk management frameworks and strategies across our businesses to achieve desired results.

Not Resting on Our Laurels

Our Company also won a string of historic accolades this year. In January, we won our first-ever Silver Anvil Award from the Public Relations Society of the Philippines for Belle's 2022 Integrated Report. This same report also won for Belle its first ever Asian award. In April, we achieved a Silver Award at the Asia Integrated Reporting Awards of CSRWorks. Furthermore, we maintained our Four Golden Arrows and ASEAN

Asset Class awards, along with other listed companies in the Belle Group. Additionally, Belle continued to be recognized as one of the top taxpayers in Real Estate Tax by the City of Paranaque.

Being Future Forward

On behalf of our Board of Directors and the men and women of the Belle Group, we wish to thank our many shareholders and stakeholders for your strong commitment and support. We attribute much of our success in 2024 to our hardworking people, reliable business partners and valued customers. With all of you as our partners, we will find opportunities to thrive together, strengthen our businesses further and produce meaningful outcomes and lasting positive impacts as we move forward to achieve a sustainable future.

We sincerely appreciate your continued trust and support.

Pursuing Expansion Opportunities for Long-term Growth

Armin Antonio Raquel Santos, President and Chief Executive Officer of Belle Corporation and Premium Leisure Corp. that both have interests in City of Dreams Manila, is bullish on gaming.

Belle Corporation (Belle) is charting a path for long-term growth as it positions itself strategically in the evolving gaming and tourism sectors, buoyed by the emergence of Clark, Pampanga as a prime destination for integrated resort developments.

Belle President and CEO Armin Antonio Raquel Santos expressed optimism about the gaming sector's resilience despite industry headwinds, emphasizing the company's commitment to creating value for stakeholders through deliberate investments and expansion.

"Clark's strategic location, with accessibility to major foreign tourist markets such as China, Hong Kong SAR, Singapore, South Korea, and Japan, strengthens its appeal as a gaming and tourism hub. Belle is well-prepared to explore opportunities that align with this growth trajectory," said Mr. Raquel Santos.

In 2024, Belle, through its gaming-focused subsidiaries under its over 99%-owned Premium Leisure Corp., filed an application with government regulators for a gaming license to develop an integrated resort in the former American air base in Clark. The move underscores Belle's intent to cement its position in the gaming sector while contributing to the nation's economic development through tourism.

Belle's strategic investments extend beyond gaming. The company's diversification into other sectors, combined with its robust financial performance, reinforces its long-term stability and resilience.

"We are committed to identifying ventures with high growth potential, particularly in the gaming space, while ensuring that these align with our broader goals of shareholder value creation and inclusive progress," added Mr. Raquel Santos.

Belle's portfolio reflects this strategic approach. Beyond integrated resort development, the company has interests in premium leisure and entertainment, and real estate development such as Tagaytay Highlands, positioning it for sustained success in a competitive market.

As the Philippine gaming and tourism sectors continue to recover and expand, Belle is confident in its ability to navigate challenges and seize opportunities.

"The tourism sector stands to gain significantly from the gaming industry's recovery, and we are committed to playing a key role in this resurgence," Mr. Raquel Santos said.

Through its deliberate investments and strong foundation in sustainability, Belle is poised to drive meaningful growth while cementing its position as a key player in the gaming and tourism landscape.

The year 2024 proved to be stellar for City of Dreams Manila, gaining prestigious recognitions for exceptional dining, hospitality, gaming, best practices in sustainability, and corporate social responsibility. These accolades are a testament to the integrated resort's commitment to setting the bar high in offering meaningful luxury hospitality and entertainment.

"We know fully well that customer needs may vary but their expectation for exemplary quality never does. We are grateful that our commitment to providing sustainable luxury complemented by warm service has earned us accolades. Not resting on our laurels, we continuously enhance our facilities, beautify our spaces, and take pride in our passionate and dedicated team who provide the exemplary guest experience," shared Geoff Andres, City of Dreams Manila Property President.

Awards in Hospitality and Gaming

Nüwa Manila and Nüwa Spa earned their seventh and fifth Five Star Ratings, respectively, at the 2024 Forbes Travel Guide (FTG) Star Awards, joining once again the roster of Melco Resorts awardees and other illustrious global Star Award winners. Nobu Hotel Manila and Hyatt Regency Manila also maintained their Four-Star Rating for seven consecutive years since 2018. The annual and much anticipated list from the world-renowned authority on excellence in hospitality helps discerning travelers select the “world’s best experiences.”

Amplifying the impressive FTG Star Ratings are the other recognitions received by City of Dreams Manila: inclusion in 2024 Travel + Leisure Luxury Awards Asia-Pacific’s Ten Best Integrated Resorts in Asia for excellence in travel and hospitality; and TripAdvisor’s 2024 Travelers’ Choice Award for being in the top 10% worldwide in customer reviews.

City of Dreams Manila is again honored for the fifth consecutive year since 2020 with the World’s Leading Casino Resort distinction at the World Travel Awards (WTA) Grand Final Gala Ceremony 2024 held in Madeira, Portugal. The gala, which marks the culmination of WTA’s 2024 Grand Tour, gathered the WTA regional winners to vie for the World category titles, the highest accolades in the WTA program.

Nüwa Manila

WTA also named the property as Asia’s Leading Casino Resort for the fourth time (2019, 2021, 2022 and 2024) at the 31st WTA Asia and Oceania Gala Ceremony that was held for the first time in the country at the City of Dreams Manila’s Grand Ballroom. The awarding was jointly hosted by the WTA, the Department of Tourism and its attached agency, the Tourism Promotions Board. The highly anticipated red-carpet event gathered global tourism executives, influential decision-makers, renowned travel experts, and prominent figures in the local industry.

The resort is also a recipient of the 2023 WTA Leading Fully Integrated Resort award and thrice as Asia’s Leading Fully Integrated Resort (2019, 2021, 2023).

WTA, considered as the ultimate hallmark of industry excellence, recognizes the commitment of the integrated resort to deliver remarkable hospitality and support the country’s tourism department in positioning the Philippines as a leading tourism destination. Established in 1993, the annual awards celebrate and acknowledge excellence in all key sectors of travel, tourism, and hospitality industries.

Culinary and Dining Awards

City of Dreams Manila also won big at the WTA's 2024 5th World Culinary Awards, a global initiative to recognize and reward excellence in the culinary industry. Held at Jumeirah Al Naseem, Dubai, UAE, the awards night named the integrated resort's two signature restaurants: Nobu Manila and Crystal Dragon as the Philippines' Best Restaurant, and Philippines' Best Hotel Restaurant, respectively. Nobu Manila and Crystal Dragon are also the only Philippine restaurants nominated for Asia's Best Restaurant and Asia's Best Hotel Restaurant categories.

Behind the internationally and locally recognized restaurants at the integrated resort are the award-winning chefs that make the property a sought-after dining destination. City of Dreams Manila's 17 chef-delegates to the 2024 Philippine Culinary Cup won a total of 22 medals at the four-day competition, which has been known over the years as a prestigious culinary competition in the Philippines providing Filipino chefs an internationally recognized platform to hone and showcase their culinary talents.

Renewal of Responsible Gaming Accreditation

The resort is also the first and only property in Manila to receive the RG Check accreditation since 2021 for its social advocacy of safeguarding the welfare of gaming patrons through its Responsible Gaming program. The three-year accreditation was renewed in 2024 and is valid until 2027. The RG Check, an accreditation achieved by Melco Resorts & Entertainment Limited for its properties in all its jurisdictions of operations, is considered the gold standard and the world's most comprehensive and rigorous responsible gaming accreditation program to meet or exceed all existing responsible gaming regulatory requirements. It is given by the Responsible Gambling Council (RGC), an independent non-profit organization dedicated to problem gambling prevention globally for 40 years.

Stelliers Asia 2024 Awards

Stelliers Asia 2024 Awards

The Stelliers Asia Awards, the only accolade in the region that honors the hospitality industry's dedicated professionals, presented three 2024 distinguished awards to City of Dreams Manila. Mr. Andres was hailed as the Green and Corporate Social Responsibility (CSR) Hotelier of the Year, for driving sustainability across the property at a luxury level. Under his leadership, the property has been locally and internationally recognized as an industry leader in sustainability. City of Dreams Manila aligns its environment, social and governance (ESG) efforts with the "RISE to go Above and Beyond" sustainability strategy of its parent company Melco Resorts & Entertainment Limited (Melco). Across all Melco properties in Asia and Europe, Melco Chairman and CEO Mr. Lawrence Ho drives the sustainability strategy, which outlines ambitious environmental goals including achieving carbon neutral and zero-waste resorts by 2030.

In 2023, City of Dreams Manila was one of only three global finalists in the inaugural FTG Responsible Hospitality Award. Each of the three luxury hotel brands on property – Nuwa, Nobu, and

Hyatt Regency – received the ASEAN Green Hotel Award 2022 to 2024 from the ASEAN Tourism Standards Council. In 2023, the property was cited for the elimination of single-use plastics within the integrated resort, among the 15 establishments in the country honored, at the First Sustainability Forum organized by the Manila Bulletin.

The property's Vice President for Human Resources Thesz Liwanag was also named the Hotelier of the Year. Together with Mr. Andres, she drives the "Employee Love" program of the company, which aims to consistently foster colleagues' professional growth and work-life balance through various colleague welfare and recognition programs.

Ms. Liwanag is also the driving force behind the property's CSR initiatives. Under her stewardship, the spirit of volunteerism among colleagues has remained strong. In 2024, a total of 1,774 volunteers have participated in 48 CSR activities. Undertaken outside of duty hours, these CSR activities include blood donation drive for the Philippine Red Cross (which ranked City of Dreams Manila fifth in the top 26 establishments in Metro Manila most supportive of the

blood donation drive), repacking of donated goods for the beneficiaries of the country's government arm for social welfare, and other community works with institutions and charities for orphans and the elderly.

The third award was presented to Rooms Division Training Manager Ardie Valerio as the Unsung Hero of the Year, an award that recognizes the valuable but often overlooked contributions of staff working behind the scenes. Ardie is strongly credited for maintaining the Forbes Travel Guide Star ratings across City of Dreams Manila's three hotel properties.

Tenth Year Anniversary: A Decade of Dreams

Belle Corporation: Balanced and Accurate Reporting As Our Way Forward

Belle Corporation (Belle) President and CEO Armin Antonio Raquel Santos (left) proudly holds the company's first-ever Asian award from the 9th Asia Integrated Reporting Awards (AIRA), while photo on the right shows the front cover of the award-winning report, which bagged the Silver award in AIRA's SME category.

As Belle continues to pursue new avenues of growth for its diverse businesses, it is ever mindful of its commitment to sustainability, good corporate governance, and transparency and accountability. More recently, the Company won two historic awards - its first ever Asian award from CSRWorks for outstanding reporting and an Anvil award from the Public Relations Society of the Philippines (PRSP).

Belle Achieves First-Ever Asia Integrated Reporting Award

Belle received the Silver Award in the mid and small-cap companies (SME) category at the 9th Asia Integrated Reporting Awards (AIRA).

Armin Antonio Raquel Santos, Belle President and CEO, remarked, "Belle is proud to achieve its first-ever Asian award. This win is a manifestation of our strong commitment to transparent, balanced and accurate reporting. Our shareholders can expect us to continue to operate responsibly, serve our

communities and create value."

Regarded as one of the highest recognitions in integrated reporting, this award highlights how Belle, which has been publishing sustainability and integrated reports since 2018, included decision-useful information on governance, strategy performance and its future prospects in reports.

Rajesh Chhabara, AIRA's founder and Managing Director of CSRWorks, commended Belle's achievements, stating, "Their report sets a benchmark in integrated reporting, exemplifying leadership through the adoption of integrated thinking and a multi-capital framework."

In early 2024, Belle also notched its first ever Anvil Award from the Public Relations Society of the Philippines (PRSP) for the same report in the PR Tools: Publications category after undergoing a three-tier judging process and scoring high marks in all criteria by a panel comprised of industry experts from the Philippines and neighboring Southeast Asian countries.

Integrated reporting is critical in offering a cohesive overview of an organisation's governance, strategy, performance, and prospects, enabling capital providers to make informed capital allocation. This practice is increasingly pivotal in today's business landscape, promoting sustainability and enabling companies to demonstrate their value creation journey over short, medium, and long-term horizons.

The AIRA awards are dedicated to honoring reports that embody transparency, integrated thinking and value creation. Winning reports are selected through a multi-layered evaluation process by an independent panel, ensuring that recognitions are awarded to reports that demonstrate exemplary commitment to integrated reporting excellence. Leading companies from 14 countries submitted their entries for the 2023 AIRA. The full list of winners may be viewed: <https://www.csrworks.com/aira/winners-2023/>.
